# HOW TO USE DART

Reservations for riders must be made the same day and 90 minutes in advance of your requested pick-up time.

Call DART at (847) 352-8097 and tell the dispatcher:

- Where you wish to go
- Your name
- Your phone number, in case someone must reach you
- The number of people in your party

DART is accessible to persons using wheelchairs, canes, or crutches.

## Helpful Reminders

DART is not a fixed-route service. Routing is developed each day in response to reservations received 90 minutes in advance of a needed ride. Be sure to plan accordingly as you may be on the bus for up to 60 minutes.

The DART dispatcher will tell you when the bus is scheduled to arrive. Please be ready at least five minutes before that time, just in case the bus arrives early. The bus will wait one minute for you before departing. When boarding, remind the driver where you are going.

## Fares
